

Dear Parents of St. Paul's School,

Welcome to Summer Camp 2021! Myself (Mrs. Cathy Barrera program coordinator) and our Backpack/Summer Camp staff look forward to another fun summer with your child(ren). We have already started scheduling and mapping out our adventures to make sure your child(ren) has the best summer here at our day camp.

If you have never attended St. Paul's Summer Camp, let me fill you in on all the fun things we do. Each week there will be a theme for art work, crafts, guest speakers, and games. We do age appropriate field trips. Fieldtrips are an extra cost to you, and each cost will range differently depending on where the field trip is and busing fees.

******An added note- This will be all based on what businesses will be open for groups to attend. So far we have been able to get some fun trips scheduled. We are hopeful to be able to do get out and do some activities away from the school, we will communicate all that info to our registered families once we have it prepared.***

Registration for current registered families, for the 2021-2022 school year, will begin on February 22nd- along with school registration. School families have first priority, but need to register with Mrs. Barrera by March 19th. After the 19th it will go out to our parish families as well. You can pick up a registration packet in the school office or in Backpack with Mrs. Barrera. Our Summer Camp Program is self-supporting and its operations are not subsidized by the school, church, or Backpack program. Therefore, your enrollment represents a commitment to the Program and to our staff. We hire staff based on the attendance schedules completed by our families. Families will be required to pay for all scheduled times. No refunds will be given in Summer Camp.

Attached are the registration forms and calendars for June-July-August. Please complete these forms and turn in to Cathy Barrera or Michelle Schneehagen in the school office. Calendars must be completed and filled out for the days you plan on sending your child(ren). You must sign up for at least three days per week. Days can be added with a 48 hour notice, and depending on staff coverage. Summer Camp will begin on Tuesday, June 1, 2021 and end on August 6, 2021.

This is a Monday thru Friday day camp from 7am to 6pm. Daily costs are \$15.00 a day for registered school families, and \$17.00 a day for non-registered families- excluding the cost of fieldtrips and bus fees.

We hope to see your child(ren) this summer! If you have any questions please email Cathy Barrera at cbarrera@stpaulsnampa.org or the school office at [mschneehagen@stpaulsnampa.org](mailto:m Schneehagen@stpaulsnampa.org), or you can call 208-467-3601.
